

ESM Supplier Profile: Diversity Classifications

The information that you enter in the Business Classification section of your company profile helps the university report accurate diversity data to the State of Tennessee. Please list all diversity certifications that apply to your company. **It is especially important to list certification by the Tennessee Governor's Office of Diversity Business Enterprise (TN GoDBE).**

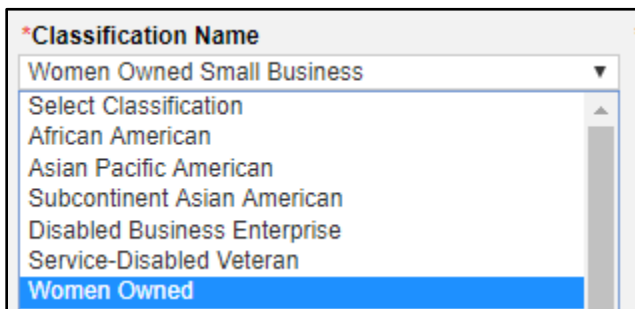

- Go to <https://eprocurement.esmsolutions.com/>.
- Log in using your email address and ESM password.
- Click on the "Profile" button in the upper left corner of the screen.

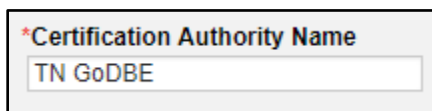

- Select "Diversity Classification" from the "Select Function" drop down menu.

- Select a category from the "Classification Name" drop down menu.

- Enter the name of your certifying agency.
IMPORTANT! If your company is certified by the Tennessee Governor's Office of Diversity Business Enterprise, enter "TN GoDBE" in this field.

A text input field with a label '*Certification Authority Name' and a small asterisk to its right. The field contains the text 'TN GoDBE'.

- Enter your certification number and expiration date.

*Certification Number	*Expiration Date
