

## The University of Tennessee: Basic Procurement Flowchart for Bidders

Note: for purposes of this flowchart, "bids" includes all types of solicitations.

Note 2: this flowchart does not apply to construction over \$100,000.

Note 3: you are not allowed to contact departments other than Procurement/Purchasing about bids. Violating this rule may result in disqualification.

Note 4: this flowchart is a high-level, simplified overview of the procurement process.
