Through this RFP, the State seeks to procure the leased space that best fits the State's needs at the most favorable, competitive rental rates and to give ALL qualified proposers (each individually, a "Proposer" and collectively, the "Proposers") including those that are (or are owned by) minorities, women, Tennessee service-disabled veterans, and small business enterprises, opportunity to do business with the State as lessor.

Proposals with square footages having a 15% deviation (up or down) will be considered. See Attachment 6.6 for further information about the space requirements.*

*All measurements, which Tenant will require the specific right to independently verify, must be computed in accordance with the American National Standard method of measuring floor area in office buildings of the Buildings Owners and Managers Association International (ANSI/BOMA Z65.1-2010).*

#### 1.2.3. PARKING REQUIREMENT

#### 1.2.5. TERM COMMENCEMENT

Tenant requires that the leased space be made available to the Tenant in the condition required by this RFP no later than May 1, 2022.

#### 1.2.6. TERMS AND CONDITIONS

The RFP Attachment 6.5., Standard Form of Lease details the State's desired terms and conditions and substantially represents the lease that the successful Proposer must sign. In order to submit a Proposal on the State's desired Terms and Conditions, the cost proposal response in RFP Attachment Section 6.3., Cost Proposal, must be filled out in its entirety and exactly as requested. However, the State is willing to consider alternative terms and conditions to those set forth in the Standard Form of Lease including Exhibit A (RFP Attachment 6.5.). Any proposed alterations on which the Proposer is basing an alternative proposal, shall be identified as a red-line document of the RFP Attachment 6.5., Standard Form of Lease, in conjunction with a corresponding red-line document of the cost proposal response in RFP Attachment Section 6.3., Cost Proposal. While the State is willing to consider alternative terms and conditions, the State has no obligation to consider or to agree to any proposed alterations. Proposers may suggest Proposed Alternative Terms, such as variations on the following items (this list is intended to be representative and not exhaustive):

- 3.1.1. **Mandatory Requirements Proposal**. The RFP Attachment 6.2., Mandatory Requirements Proposal requires that the proposer provide certain information and documents.

**NOTICE: A Mandatory Requirements Proposal should not include any pricing or cost information. If any pricing or cost information amounts of any type (even pricing relating to other projects) references to “free parking” are included in any part of the Mandatory Requirements Proposal, the State may deem the proposal to be non-responsive and reject it**

3.1.1.1. A Proposer must duplicate and use RFP Attachment 6.2., completed with proposal page numbers, to cover (as a table of contents), organize, reference, and complete the Mandatory Requirements portion of the proposal.

3.1.1.2. All information and documentation included within a proposal must address a specific requirement of RFP Attachment 6.2. and must be clearly referenced. The State will deem any information not meeting these criteria to be extraneous and will not review it.

3.1.1.3. A Proposer must sign and date the Mandatory Requirements Proposal.

- 3.1.2. **Cost Proposal**. Cost Proposals may be submitted in one or both of the following forms: A Cost Proposal for the State’s desired Terms and Conditions (“Base Cost Proposal”) and/or one or more Cost Proposals with proposed Alternative Terms (“Alternate Cost Proposal”).

**NOTICE: If a proposer fails to submit a Base or Alternate Cost Proposal exactly as required, the State may deem the proposal to be non-responsive and reject it.**

3.1.2.1. A Base Cost Proposal must be submitted on an exact duplicate of the RFP Attachment 6.3., Cost Proposal.

3.1.2.1.1. The Base Cost Proposal shall incorporate ALL costs for services under the lease for the total lease term.

3.1.2.1.2. A Proposer must sign and date the Base Cost Proposal.

3.1.2.2. An Alternate Cost Proposal should be submitted with a red-line modification of the RFP Attachment 6.3., Cost Proposal and a red-line modification of Attachment 6. 5., Standard Form of Lease, including Exhibit A, if applicable.

3.1.2.2.1. In the event that an Alternate Cost Proposal includes or is based on alternate Terms and Conditions, those must be clearly stipulated in the form of a red-line modification of the RFP Attachment 6.5., Standard Form of Lease.

3.1.2.2.2. Each Alternate Cost Proposal shall incorporate ALL costs for services proposed under the lease for the proposed lease term.

3.1.2.2.3 Each Alternate Cost Proposal shall be clearly marked as an alternate proposal and must be specific, address all necessary terms, and be concise.

3.1.2.2.4 A proposer must sign and date each Alternate Cost Proposal.

3.1.2.3. A Proposer must submit the Cost Proposal(s) to the State in a sealed package separate from the Mandatory Requirements Proposal (as detailed in RFP Sections 3.3.3., *et seq.*).

### 3.2. STATEMENT OF FINANCIAL INTERESTS

It is a requirement of Tennessee Code Annotated Section 12-2-114 that a statement listing the names of any and all persons financially interested in the proposed space be contained in the Lease Proposal. This requirement includes the interests of the owner/agent, any lienholders or any known future purchasers or lienholders. This information is to be provided in RFP Attachment 6.3., Cost Proposal.

### 3.3. SUBMISSION OF PROPOSALS

A Proposer must deliver a proposal in response to this RFP as detailed below. The State may not accept a proposal delivered by any other method. Each Proposal should include a Proposal Package Cover Sheet in the form of RFP Attachment 6.1.1., which shall reference any amendments to the RFP.

3.3.1. A Proposer must ensure that the original Proposal documents meet all form and content requirements detailed within this RFP for such proposals including but not limited to required signatures.

3.3.2. A Proposer must ensure that the State receives a proposal in response to this RFP no later than the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events at the following address.

University of Tennessee Office of Real Property  
Adam Foster  
5723 Middlebrook Pike  
Knoxville, TN

3.3.3. A Proposer must submit original Mandatory Requirements Proposal and Cost Proposal documents and copies in sealed envelopes or packages as specified below.

3.3.3.1 One (1) original of the Mandatory Requirements Proposal paper document must be placed in a sealed package labeled:

**“RFP TRANSACTION # [RFP NUMBER] MANDATORY REQUIREMENTS PROPOSAL ORIGINAL”**

and one (1) copy of the Mandatory Requirements Proposal in the form of one (1) digital document in “PDF” format properly recorded on an otherwise, blank, standard file storage medium such as a CD or flash drive labeled:

**“RFP TRANSACTION # [RFP NUMBER] MANDATORY REQUIREMENTS PROPOSAL COPY”**

3.3.3.2. One (1) original of the Base Cost Proposal and/or one (1) original of each Alternate Cost Proposal paper document must be placed in a sealed package labeled:

**“RFP TRANSACTION # [RFP NUMBER] COST PROPOSAL ORIGINAL”**

and one (1) copy in the form of a digital document in “PDF/XLS” format properly recorded on separate, blank, standard file storage medium such as a CD or flash drive labeled:

**“RFP TRANSACTION # [RFP NUMBER] COST PROPOSAL COPY”**

In the event of a discrepancy between the original Cost Proposal document and the digital copy, the original, signed document will take precedence.

- 3.3.3.3. The separately sealed Mandatory Requirements, Proposal and Cost Proposal components may be enclosed in a larger package for mailing or delivery, provided that the outermost package is clearly labeled:

**“RFP TRANSACTION # [RFP NUMBER] SEALED MANDATORY REQUIREMENTS PROPOSAL & SEALED COST PROPOSAL(S) FROM [PROPOSER LEGAL ENTITY NAME]”**

- 3.3.4. A Proposer must separate, seal, package, and label the documents and copy file storage mediums for delivery as follows.

- 3.3.4.1. The Mandatory Proposal Requirements Response original document and copy file storage mediums must be placed in a separate, sealed package that is clearly labeled:

**“DO NOT OPEN... RFP TRANSACTION # [RFP NUMBER] MANDATORY REQUIREMENTS PROPOSAL FROM [PROPOSER LEGAL ENTITY NAME]”**

- 3.3.4.2. The Base Cost Proposal and/or each Alternate Cost Proposal original document and copy file storage mediums must be placed in a separate, sealed package that is clearly labeled:

**“DO NOT OPEN... RFP TRANSACTION # [RFP NUMBER] COST PROPOSAL(S) FROM [PROPOSER LEGAL ENTITY NAME]”**

### **3.4 Proposal & Proposer Prohibitions**

- 3.4.1. A Proposal must not result from any collusion between Proposers. The State will reject any Cost Proposal that was not prepared independently without collusion, consultation, communication, or agreement with any other Proposer. Regardless of the time of detection, the State will consider any such actions to be grounds for proposal rejection or lease termination.
- 3.4.2. A Proposer shall not provide, for consideration in this RFP process or subsequent lease negotiations, incorrect information that the Proposer knew or should have known was materially incorrect. If the State determines that a Proposer has provided such incorrect information, the State may deem the Proposer’s proposal non-responsive and reject it.
- 3.4.3. A Proposer shall not be (and the State will not award a lease to):
- a. an individual who is, or within the past six months has been, an employee of the State of Tennessee or who is a volunteer member of a State board or commission that votes for, lets out, overlooks, or in any manner superintends the services being procured in this RFP;
  - b. a company, corporation, or any other contracting entity in which an ownership of two percent (2%) or more is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee (this will not apply either to financial interests that have been placed into a “blind trust” arrangement pursuant to which the employee does not have knowledge of the retention or disposition of such interests or to the ownership of publicly traded stocks or bonds where such ownership constitutes less than 2% of the total outstanding amount of the stocks or bonds of the issuing entity);
  - c. a company, corporation, or any other contracting entity which employs an individual who is, or within the past six months has been, an employee of the State of Tennessee in a position that

would allow the direct or indirect use or disclosure of information, which was obtained through or in connection with his or her employment and not made available to the general public, for the purpose of furthering the private interest or personal profit of any person; or,

- d. any individual, company, or other entity involved in assisting the State in the development, formulation, or drafting of this RFP or its scope of services (such person or entity being deemed by the State as having information that would afford an unfair advantage over other Proposers).

For the purposes of applying the requirements of this RFP subsection 3.4.3., the State will deem an individual to be an employee of the State of Tennessee until such time as all compensation for salary, termination pay, and annual leave has been paid, but the term "employee of the State of Tennessee" shall not include individuals performing volunteer services for the State of Tennessee.

### **3.5. Proposal Errors & Revisions**

A Proposer is liable for any and all proposal errors or omissions. A Proposer will not be allowed to alter or revise proposal documents after the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events unless such is formally requested, in writing, by the State.

### **3.6. Proposal Withdrawal**

A Proposer may withdraw a submitted proposal at any time before the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events by submitting a written request signed by an authorized Proposer representative. After withdrawing a proposal, a Proposer may submit another proposal at any time before the Proposal Deadline.

**NOTICE: If a Proposer fails to submit a Cost Proposal(s) exactly as required, the State may deem the proposal non-responsive and reject it.**

## **4. GENERAL LEASING INFORMATION & REQUIREMENTS**

---

### **4.1. RFP Amendment**

The State reserves the right to amend this RFP at any time, provided that it is amended in writing. However, prior to any such amendment, the State will consider whether it would negatively impact the ability of potential proposers to meet the proposal deadline and will revise the RFP Section 2, Schedule of Events if deemed appropriate. If an RFP amendment is issued, the State will convey it to potential proposers who submitted a Notice of Intent to Propose (RFP Section 1.8). A proposer must respond, as required, to the RFP, including all attachments and amendments.

### **4.2. RFP Cancellation**

The State reserves the right, at its sole discretion, to cancel or to cancel and reissue this RFP in accordance with applicable laws and regulations.

### **4.3. State Right of Rejection**

4.3.1. Subject to applicable laws and regulations, the State reserves the right to reject, at its sole discretion, any and all proposals.

4.3.2. The State may deem as non-responsive and reject any proposal that does not comply with all terms, conditions, and performance requirements of this RFP.

### **4.4. Disclosure of Proposal Contents**

4.4.1. Each proposal and all materials submitted to the State in response to this RFP become the property of the State of Tennessee. Selection or rejection of a proposal does not affect this ownership right. By submitting a proposal, a Proposer acknowledges and accepts that the full proposal contents and associated documents will become open to public inspection in accordance with the laws of the State of Tennessee.

4.4.2. The State will hold all proposal information in confidence during the evaluation process.

4.4.3. Upon completion of proposal evaluations, indicated by public release of an Evaluation Notice or Notice of Intent to Award as applicable, the proposals and associated materials will be open for review by the public in accordance with *Tennessee Code Annotated*, Section 10-7-504(a)(7).

### **4.5. Severability**

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, said decision will not affect the validity of the remaining RFP terms and provisions, and the rights and obligations of the State and Proposers will be construed and enforced as if the RFP did not contain the particular provision held to be invalid.

## 5. PROPOSAL EVALUATION & LEASE AWARD

---

### 5.1. Intentionally Deleted.

### 5.2. Intentionally Deleted.

### 5.3. Evaluation Process

The proposal evaluation process is designed to identify the Responsive, Responsible Proposer offering the best overall fit. The term "Responsive" means a person or entity which has submitted a proposal which conforms in all material respects to the RFP. The term "Responsible" means a person or entity which has the capacity in all material respects to perform fully the Lease requirements, and the integrity and reliability that will assure good faith performance. In evaluating lease proposals the University may take into account not only the rent offered but the type of space, the location, its suitability for the purpose, services offered by the lessor, moving costs, estimates of additional rent such as pass through of operating expenses or separately metered utilities, costs associated with any landlord services not included in the base rent, costs associated with delayed occupancy, costs associated with any improvements to be made to the proposed premises at the cost of the University, costs associated with renovating in place, costs associated with deviations from the specifications requested by the University, and all other relevant factors (collectively, "Other Factors").

#### 5.3.1. **Mandatory Requirements Proposal Evaluation.**

The RFP Coordinator will review each Mandatory Requirements Proposal to determine compliance with RFP Attachment 6.2. Mandatory Requirements Proposal. If the RFP Coordinator determines that a proposal may have failed to meet one or more of the mandatory requirements, the RFP Coordinator shall seek the advice of an attorney on the staff of the University of Tennessee General Counsel who will review the proposal and document his/her determination of whether:

- a. the proposal adequately meets requirements for further evaluation;
- b. the State will request clarifications or corrections for consideration prior to further evaluation;  
or
- c. the State will determine the proposal non-responsive to the RFP and reject it.

5.3.2. **Cost Proposal Evaluation.** After evaluation under Section 5.3.1. above, the RFP Coordinator will review the Base and/or Alternate Cost Proposal(s) submitted by each apparent Responsive and Responsible Proposer. The RFP Coordinator will assess whether each Cost Proposal complies with RFP requirements without qualification. The RFP Coordinator will document, in writing, any determination (and the specific reasons therefore) that a Cost Proposal is non-compliant with requirements such that the Proposer is non-responsive to the RFP. If a respondent proposes alternate terms that the State desires to accept, all other proposers will be requested, in writing, to provide a proposal to the State including those same alternate terms within not less than three (3) business days of the date of receipt of the request from the State for a subsequent proposal. The RFP Coordinator will calculate the net present value for each compliant and responsive Cost Proposal that is determined to meet the University's desired terms. In calculating the net present value, the University will use the "Standard Cost Estimates" for any expenses not included in base rent, and the "Discount Rate," both of which are posted on the website of the Office of State Architect. Upon completion of the calculation set forth above, the RFP Coordinator will prepare a list (the "Evaluation List") of the proposals that were calculated in order from lowest net present value to highest, taking into account all costs associated with each Proposal. All evaluations will be completed in compliance with the University of Tennessee Lease Procurement Policies & Procedures, which may be found at [http://policy.tennessee.edu/fiscal\\_policy/fi0625/](http://policy.tennessee.edu/fiscal_policy/fi0625/).

5.3.3 If the University elects to negotiate, negotiations will be completed in compliance with the University of Tennessee Leasing Negotiation Policies & Procedures, which may be found at [http://policy.tennessee.edu/fiscal\\_policy/fi0630/](http://policy.tennessee.edu/fiscal_policy/fi0630/).

#### 5.4. Lease Award Process

- 5.4.1. After the evaluation process, the RFP Coordinator will forward the Evaluation List, along with comments regarding Other Factors to the Director, Real Property and Space Administration (the "Director"). The Director will consider the same to determine which Proposal should be accepted in accordance with the University of Tennessee Lease Procurement Policies and Procedures.
- 5.4.2. The Director may take into account other relevant factors including but not limited to property ownership/management, building condition, site and vicinity, and suitability for tenancy. The Director shall determine the proposal that provides the best overall fit for the University. If the Director intends to award the lease to a Proposer that is not the lowest net present value cost, justification for such determination must be provided in writing and approved by the Executive Director, Capital Projects, and may be based on one or more of the following:
- The proposal with the lowest net present value proposes a location that an occupant determines is unacceptable to it, as expressed in writing and signed by the Department head;
  - The Director determines that the features or amenities of the site or building proposed by the proposal with the lowest net present value is not in the best interests of the University;
  - Documented evidence of poor past performance by the proposer having the proposal with the lowest net present value as a landlord to the State; or
  - Based on a totality of the above and other considerations, an award based on another proposal is in the best interests of the State.
- 5.4.3. Once such determination has been made, the University of Tennessee shall issue a notice of intent to award the lease to all Proposers.

Upon issuance of the Notice of Intent to Award, the State will make the RFP files available for public inspection

**NOTICE: The Notice of Intent to Award shall not create rights, interests, or claims of entitlement in either the Proposer with apparent best-evaluated proposal or any other Proposer.**

The Proposer identified in the Notice of Intent to Award must sign a lease drawn by the State pursuant to this RFP. The lease shall be substantially the same as the RFP Attachment 6.5., Standard Form of Lease except as modified by the State, if modified. The Proposer must sign the lease no later than Lease Signature Deadline detailed in the RFP Section 2, Schedule of Events. If the Proposer fails to provide the signed lease by the deadline, the State may determine that the Proposer is non-responsive to this RFP, reject its proposal and select a different proposal based on the proposal evaluation and lease award process outlined in this RFP.

#### 5.5. RFP Files Open

The State will make the RFP files available for public inspection on the date specified in the RFP Section 2, Schedule of Events. The files will remain open for public review from that date.

#### 5.7. Lease Approval and Lease Payments

- 5.7.1. This RFP and its proposer selection processes do not obligate the State and do not create rights, interests, or claims of entitlement in any Proposer. State obligations pursuant to a lease award shall commence only after the lease is signed by the State and the Proposer and after the lease is approved by all other State officials as required by applicable laws and regulations.
- 5.7.2. No payment will be obligated or made until the relevant lease is approved as required by applicable statutes and rules of the State of Tennessee.

6. TERMINATION FOR CAUSE. Tenant may in its sole discretion terminate this Lease at any time for any of the following causes: (a) Landlord's failure to disclose any conflict or potential conflict of interest existing at the date of this Lease or hereafter created; (b) termination or consolidation of Tenant's operations or programs housed in the Leased Premises because of loss of funding; (c) lack of funding by the appropriate Legislative Body for obligations required of Tenant under this Lease; (d) misrepresentations contained in the response to the request for proposal or committed during the negotiation, execution or term of this Lease; (e) failure to comply with the assertions and promises set forth in the response to the request for proposals; (f) the availability of space in Tenant-owned property, provided that no cancellation for this reason may take place until the Lease has been in effect for one year; and (g) any default by Landlord which is not adequately remedied in accordance with **Section 8** hereof. Notwithstanding the foregoing, all terms and conditions of the Lease are made subject to the continued appropriations by the appropriate Legislative Body.

7. ENVIRONMENTAL PROVISIONS. Following due inquiry, Landlord represents that there are no hazardous substances or hazardous wastes as defined by the Comprehensive Environmental Response and Liability Act or any hazardous wastes as defined by the Resource Conservation and Recovery Act, or any mold, PCB's, radon or asbestos

containing materials, located on, in or about the Leased Premises to be occupied by Tenant. Landlord agrees that should any hazardous wastes, hazardous substances, mold, PCB's, radon or asbestos containing materials be determined to be present as a result of the acts or omissions or negligence of any person or legal entity, other than Tenant, Landlord shall indemnify, hold harmless and defend Tenant from all claims, damages, expenses or litigation resulting from the presence of such materials. If Tenant reasonably believes that hazardous substances may be present in the Leased Premises or the Building, Landlord will engage, at its expense, a qualified third party engineer to conduct an appropriate environmental survey. If hazardous substances are found or such survey indicates a risk of such hazardous substances being present in the Leased Premises or Building, then Landlord, at its expense, will make all necessary changes and/or corrections so that the Building and/or the Leased Premises are in compliance with all environmental laws and regulations. In the event Landlord discovers hazardous materials on the Leased Premises during the Term of this Lease, Landlord shall promptly notify Tenant.

8. **DEFAULT.** Tenant shall be in default of the terms of the Lease if Tenant shall fail to make a payment of any rent or additional rent, and such rent or additional rent is not paid within ten (10) days of written notice by Landlord to Tenant of non-payment of same, or in the event that Tenant shall otherwise commit an act of default under the terms hereof, and shall not cure such default within thirty (30) days of written notice by Landlord to Tenant of such default, or, if it is not possible to complete the cure by such time, Tenant has not commenced the cure within such 30 day period and does not thereafter diligently pursue the same to completion within a reasonable time thereafter. In the event of default by Tenant hereunder:

- A. Landlord may continue the Lease in full force and effect and shall have the right to collect rent when due. During the term Tenant is in default, Landlord may re-enter the Leased Premises with legal process and relet same, or any part thereof, to third parties for Tenant's account. Tenant shall pay to Landlord the rent due under the Lease on the date such rent is due, less the rent Landlord receives from any reletting. Landlord shall make its best efforts to relet the Leased Premises at a reasonable price. Under this paragraph, Tenant's obligations shall not exceed the total rent due for the remainder of the term.
- B. Landlord may terminate the Lease pursuant to the terms of this Section. Upon termination, Landlord shall have the right to collect an amount equal to all expenses, if any, not including attorneys' fees, incurred by Landlord in recovering possession of the Leased Premises and all reasonable costs and charges for the care of the Leased Premises while vacated by Tenant.

Except as specifically set forth herein, Landlord shall be in default of the terms of the Lease if Landlord shall commit an act of default under the terms hereof, and shall not cure such default within twenty (20) days of written notice by Tenant to Landlord of such default, or, if it is not possible to complete the cure by such time, Landlord has not commenced the cure within such 20 day period and does not thereafter diligently pursue the same to completion within a reasonable time thereafter. In the event of a default by Landlord hereunder, Tenant may, in addition to all rights and remedies available at law or in equity, (i) cure such default and deduct any reasonable and necessary amounts incurred by Tenant in connection therewith from the rent next due by Tenant hereunder with the presentment of receipts for such reasonable and necessary actions, or (ii) terminate the Lease. Notwithstanding the foregoing, in the event that Tenant is unable, in its reasonable judgment, to operate in the Leased Premises as a result of the failure by Landlord to satisfy its obligations pursuant to Section 3 hereof (A) for a period of more than forty eight (48) consecutive hours, then the rent shall abate during the entire period of the disruption and Tenant shall have the right to terminate the Lease in the event Landlord remains unable to satisfy its obligations pursuant to Section 3 hereof for a period of more than ten (10) consecutive days; or (B) more than ten (10) days during any twelve (12) month period, then Tenant shall have the right to terminate the Lease.

9. **END OF TERM.** At the termination of this Lease, Tenant shall surrender its interest in the Leased Premises to Landlord in as good condition and repair as reasonable use thereof will permit, ordinary wear and tear excepted, and will leave the Leased Premises broom clean. Tenant shall have the right, prior to said termination, to remove any equipment, furniture, trade fixtures or other personal property in the Leased Premises owned by Tenant, provided that Tenant promptly repairs any damage to the Leased Premises caused by such removal. In the event of holding over by Tenant after the expiration or termination of the Term of this Lease, Tenant shall pay rent at the then-current rate for rent as set forth in the Lease, on a monthly basis and the Term of this Lease shall be automatically extended for successive periods of one (1) year each; provided that during any automatically extended period following the expiration of the Term of this Lease, Landlord and Tenant shall each have the right to terminate this Lease by delivering written notice to the other at least ninety (90) days prior to the desired expiration date.

10. **MISCELLANEOUS.** The article captions contained in the Lease are for the convenience of the parties only and shall not be considered in the construction or interpretation of any provision hereof. Landlord and its agents shall have reasonable access to the Leased Premises during all reasonable business hours for the purpose of examining same to ascertain if they are in good repair and to make reasonable repairs which Landlord may be required to make hereunder. The making of repairs by Landlord or its agents shall be coordinated with Tenant to minimize disruptions of Tenant's conduct of business in the Leased Premises. The Lease contains the entire agreement between the parties and supersedes any and all other prior oral and written agreements between the parties regarding the subject matter contained herein and may not be changed or terminated orally but only by agreement in writing and signed by all parties. Landlord and Tenant acknowledge and agree that (i) all exhibits referenced in the Lease (or in any of its exhibits) are incorporated into the Lease by reference, and (ii) any reference to "the Lease," "this Lease," "hereunder," "herein" or words of like import shall mean and be a reference to the Lease including such exhibits. No waiver by either party shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by either party of the same or any other provision. The Lease shall be binding upon and inure to the benefit of the parties hereto, their heirs, successors, assigns, executors and administrators. Landlord has provided to Tenant a list of names and addresses of persons, associations, or corporations who hold any financial interest in the Leased Premises; such list shall be immediately revised in the event of a transfer of any such interest. The Lease Proposal Package from which this lease originated and the Landlord's response to the Lease Proposal Package (collectively, the "Proposal Package") is hereby incorporated in the Lease; provided, however, that in the event of any conflict between the terms of the Proposal Package and the Lease, the terms of the Lease shall control.

11. **DAMAGE OR DESTRUCTION.** If the Leased Premises are damaged by fire or other casualty, the damage shall be repaired by and at the expense of Landlord (excluding any personal property which is owned by Tenant), provided that such repairs can, in Landlord's opinion, be made within sixty (60) days after the occurrence of such damage. Landlord shall notify Tenant within fifteen (15) days of the event of casualty of its determination. Until such repairs are completed, the rent shall be abated in proportion to the part of the Leased Premises rendered unusable,

but there shall be no abatement of rent for a period equal to one (1) day or less. If such repairs cannot, in Landlord's opinion, be made within sixty (60) days and Landlord nonetheless chooses to repair, then Tenant may, at its option, continue as Tenant under the Lease until such repairs are completed, during which time all rent shall abate, or Tenant may terminate the Lease. A total destruction of the Building in which the Leased Premises are located shall automatically terminate the Lease. Total destruction of the Building shall be defined as damage greater than fifty percent (50%) of the then replacement value thereof.

12. **NOTICES.** Any notice required or permitted to be given hereunder shall be sufficiently given if personally served, sent by registered or certified mail, or by reputable overnight courier, addressed to the relevant party at the addresses specified in the Lease, for Landlord, and for Tenant to: Real Estate Asset Management, 312 Rosa L. Parks Avenue, 22<sup>nd</sup> Floor, Nashville, Tennessee 37243.

13. **QUIET ENJOYMENT.** Landlord warrants and shall defend Tenant in the quiet enjoyment and possession of the Leased Premises during the term and any extension or renewal thereof.

14. **SUBORDINATION, ATTORNMEN AND NON-DISTURBANCE.** Tenant agrees that the Lease and all rights of Tenant hereunder are and shall be subject and subordinate to any ground or underlying lease which may now or hereafter be in effect regarding the Building or any component thereof, to any mortgage now or hereafter encumbering the Leased Premises or the Building or any component thereof, to all advances made or hereafter to be made upon the security of such mortgage, to all amendments, modifications, renewals, consolidations, extensions and restatements of such mortgage, and to any replacements and substitutions for such mortgage (collectively, "Mortgages"); provided as a condition to such subordination, any holder of the Mortgage must enter into a Subordination, Non-Disturbance and Attornment Agreement with Tenant in form reasonably acceptable to Tenant. In the event any proceedings are brought for the foreclosure of, or in the event of exercise of the power of sale under, or in the event of a deed in lieu of foreclosure with respect to any Mortgage covering the Leased Premises or the Building, or in the event of termination of any Lease under which Landlord may hold title, Tenant shall, at the option of transferee, attorn to such transferee and shall recognize and be bound and obligated hereunder to such person as Landlord under the Lease, unless the Lease is terminated. Notwithstanding anything contained herein to the contrary, so long as Tenant is not in default in the payment of rent, or in the performance of any of the other terms, covenants or conditions of the Lease beyond any applicable cure periods, no mortgagee or similar person shall disturb Tenant in its occupancy of the Leased Premises during the original or any renewal term of the Lease notwithstanding any event or proceedings described in this section.

15. **APPROVALS.** Neither this Lease nor any amendment or modification hereto shall be effective or legally binding upon Tenant, unless and until a fully executed, original Lease has been returned to Tenant and the review and approval by all appropriate State officials and the State Building Commission, if applicable has been obtained.

16. **COMPLIANCE WITH LAWS.** Landlord represents and warrants to Tenant that as of the date of execution of this Lease, the Building complies with the provisions of the Americans with Disabilities Act (ADA) in all material respects. Landlord hereby indemnifies and holds harmless Tenant from and against all costs, liabilities, and causes of action occurring or arising as a result of Landlord's failure to comply with any of the requirements of the ADA or similar laws or as a result of any violation of any of the requirements of the ADA or similar laws by Landlord or its agents. Landlord shall provide all life safety equipment, including but not limited to, fire extinguishers and smoke alarms, in compliance with applicable municipal building codes.

17. **FORCE MAJEURE.** With the exception of the obligation of Tenant to pay rent and all other amounts that may be due from time to time under this Lease, if either party shall be delayed or hindered in or prevented from doing or performing any act or thing required hereunder by reason of any matters beyond the reasonable control of such party, then such party shall not be liable or responsible for any such delays and the doing or performing of such act or thing shall be extended for a period equivalent to the period of such delay. In such event, this Lease and the obligations of both parties to perform and comply with all of the other terms and provisions of this Lease shall in no way be affected, impaired, or excused.

18. **RECORDS RETENTION.** Landlord shall maintain documentation for all charges against Tenant under the Lease. The books, records and documentation of Landlord, insofar as they relate to reimbursement by Tenant for costs incurred, whether in whole or in part, shall be maintained in conformity with generally accepted accounting principles for a period of three (3) full years from the date of what amounts to the final payment under this Lease, and shall be subject to audit, at any reasonable time and upon reasonable notice by the Comptroller of the Treasury or his duly appointed representative or a licensed independent public accountant.

19. **SPACE AUDIT.** Landlord certifies that the rentable square feet set forth in the Lease is accurate to the best of its knowledge. Tenant reserves the right to perform physical measurements of the Leased Premises and adjust the Monthly Rental Installments proportionally based upon such measurements. Tenant shall use the current Building Owner's and Manager's Association standards of measurements for either single or multi-tenant occupancy, whichever is applicable.

20. **COMMON AREAS.** During the Term of the Lease, Landlord agrees that Tenant and its employees, agents, invitees and visitors shall have the non-exclusive right to use the Common Areas for their intended purpose. Except for repairs, maintenance and replacements required under this Lease, Landlord shall not materially alter (or permit the material alteration of) any entrances, exits, corridors, sidewalks or hallways providing access to or from the Leased Premises. Landlord represents and warrants to Tenant that the Common Areas include all areas which are necessary for the use of the Leased Premises for its current use. As used herein, "Common Areas" means all portions of the Building intended for the general use or benefit of tenants or owners of the Building, and their employees, agents, and visitors, including, without limitation, all entrances, common corridors, parking areas, loading and unloading areas, trash areas, roadways, walkways, sidewalks and driveways.
