

# SIGMA-ALDRICH

Search for Sustainable Products

In the search box, type a product category followed by the word “greener.”

Millipore Sigma  
antibodies greener

Greener Alternative Products are identified by a small green icon.

**Greener Alternative Principles**

- Design for Energy Efficiency (74)
- Waste Prevention (29)
- Designing Safer Chemicals (23)
- Catalysis (7)
- Design for Degradation (6)
- Safer Solvents and Auxiliaries (4)
- Use of Renewable Feedstocks (3)

Narrow the search by using filters in the left panel, including the “Greener Alternative Principles” filters.
